## Management...

### **Our Motivator, President Shri Vanrajbhai Garaiya**

- Shri Bachubhai Govindbhai Garaiya Homoeopathic Medical College & Hospital was established by Shri Gyanjot Education trust in year 2012 with a vision to promote homeopathy in saurashtra region. Based on the teaching & Principles of our Inspiration, My Father Late Shri Bachubhai Govindbhai Garaiya we are committed to provide high quality world class education in field of Homeopathy. It has been a leading institution since its inception. Our college is committed to offering higher education, training, research, and consultancy support to aspiring Homoeopathic professionals.
- Our mission at At Garaiya Gyanpeeth is to foster the comprehensive development of our students, preparing them to become future leaders in the global community. We firmly believe that educational institutions play a pivotal role in shaping individuals into responsible citizens & better human beings. As facilitators of growth, we provide our students with a well-rounded education and holistic development opportunities.
- It is a privilege to be associated with a trust and institute that are paving the way for excellence in Homoeopathic education. With accolades such as NABH, our institute has consistently surpassed expectations, solidifying its position as a leader in the field.
- I extend my heartfelt congratulations to all the stakeholders of Shri B. G. GARAIYA HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL for their unwavering dedication, hard work, and continuous support. May our institute achieve many more remarkable milestones in the future.
- Here's to a future filled with countless accomplishments!

## Management...

### **Our Driving Force, Trustee Shri Rambhai Garaiya**

- Education is not merely about acquiring knowledge and skills; it is also about instilling values and principles that shape individuals into responsible and compassionate professionals. At Shri B. G. GARAIYA HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL, we are dedicated to nurturing these qualities alongside fostering innovation, growth, and excellence.
- Homeopathy plays a crucial role in promoting well-being and maintaining a healthy society. We, strive to fill our students with a deep sense of duty and empower them to transform this responsibility into action. Our college has established itself as a premier institution, renowned for delivering quality education in the field of homeopathic medicine in Saurashtra Region. We are committed to producing a new generation of homeopathic professionals who possess not only intellectual brilliance but also moral consciousness and social responsibility.
- We strive to create an enriching environment that nurtures knowledge and helps shape well-rounded individuals. With state-of-the-art infrastructure, a technologically advanced campus, and the latest resources to support your competitive spirit, we are committed to assisting you in realizing your dreams and becoming better human beings. Our dedicated and highly qualified faculty members provide career counselling, ensuring that you receive the guidance necessary to embark on a successful journey.
- We take pride in our esteemed alumni who have excelled in fields. Their accomplishments inspire the youth to channel their efforts towards positive contributions to society. Wishing you all the best for a transformative journey ahead!

## Management...

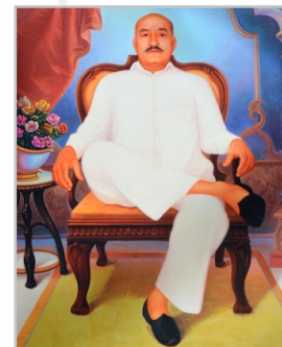

### **Our Pillar, Trustee Shri Aebhalbhai Garaiya**

- We are pleased to welcome you all to the fostering educational space of the Garaiya Gyanpeeth campus. Here one would find insight of Garaiya Gyanpeeth family consisting of institutions imparting education from primary education to post graduate professional degree programs. We strongly believe in the concept of an integrated campus with this idea of holistic learning approach from primary, secondary and Higher education. We believe this would play a significant role in framing the mind set of upcoming generation.
- Our well developed campus, infrastructure facility, motivated faculty members and supporting staff members assure a very productive and creative learning experience at Garaiya Gyanpeeth. We are confident that the combination of experienced management, faculty and staff would provide most excellent educational experience and make significant contribution towards nurturing confident young professionals.
- We believe in the all round development of the students, so we are promoting sports along with studies at our campus. We have developed state of art sports facilities for various sports like Cricket, Athletics, Gymnastics, Volleyball, Basket ball, Foot ball etc. which may help the students to achieve excellence in sports too.
- We are striving to make Garaiya Gyanpeeth as one of the best education campus with our dedication, sincere efforts and hard work.

## About the College

- Shree Bachubhai Govindbhai Garaiaya Homoeopathic Medical College is a well-reputed and leading college imparting world class education in field of Homoeopathy in Saurashtra region since 2012. It was established by Shree Gyanjyot Education trust with an aim to educate the next generation of Homoeopathic practitioners through comprehensive academic programs, hands-on clinical training, and experiential learning opportunities, we equip our students with the knowledge, skills, and ethical values needed to deliver patient-centered care and improve health outcomes.
- Most of our alumni are either self-employed and doing excellent private practise as Consulting Homoeopath or are well placed as Medical Officers in reputed corporate hospitals throughout the state, as Medical officer in Government Hospitals and in government programs like RBSK, NRHM & 108 services, as Hospital administrators in various hospitals of Gujarat with attractive salaries.
- College has huge and state of art infrastructure constructed in 12 acres land. It has well equipped Laboratories and Departments for providing best education. College has A.C. auditorium with seating capacity of 500, Rich and well curated Library, Indoor stadium, State level cricket stadium for all round development of the students. College has 100 UG Seats and 18 PG Seats - (Homoeopathic Materia Medica, Organon of Medicine and Repertory & case taking).
- College has dedicated 45 bedded attached Homoeopathic Hospital to impart clinical teaching to the students. It has achieved the highest quality accreditation for the hospital i.e. NABH. OPDs and IPDs of the hospital are providing high quality homoeopathic health care to the society. College has done MOU with 5 Multi-speciality Hospitals of Rajkot to deliver all round knowledge to the students.
- In campus we have hostel facilities for both Boys and Girls which provides facilities at par with Home stay.

## Vision

- "At Shree B.G. Garaiya Homoeopathic Medical College, we envision a future where homeopathy plays a central role in empowering individuals to achieve optimal health and well-being. Grounded in the principles of holistic medicine and guided by a commitment to excellence, our college is dedicated to fostering a new generation of compassionate and competent Homoeopathic practitioners who embrace the art and science of healing.
- Our vision is to be a global leader in Homoeopathic education, research, and practice, renowned for our unwavering dedication to academic excellence, clinical innovation, and professional integrity. We strive to cultivate a dynamic learning environment that nurtures curiosity, creativity, and critical thinking, empowering students to explore the depth and breadth of Homoeopathic medicine and develop the skills and knowledge needed to address the complex health challenges of today and tomorrow.
- We are committed to advancing the evidence base and effectiveness of homeopathy through rigorous research, collaborative inquiry, and interdisciplinary collaboration. By conducting high-quality research studies, clinical trials, and transnational research projects, we aim to deepen our understanding of Homoeopathic principles, validate its therapeutic efficacy, and contribute to the evolution of homeopathy as a credible and respected healthcare system.
- Our vision extends beyond the walls of our college to encompass the broader community and society at large. We aspire to be catalysts for positive change, advocating for greater access to holistic healthcare, promoting health equity and social justice, and fostering partnerships with local communities, healthcare organizations, and government agencies to improve public health outcomes and address healthcare disparities.
- Together, we are shaping the future of homeopathy, transforming lives, and building healthier, more resilient communities. Join us as we embark on this transformative journey towards a world where holistic healthcare is accessible, equitable, and empowering for all."

## Mission

- "At Shree B.G.Garaiya Homeopathic Medical College, our mission is to provide excellence in homeopathic education, research, and practice, empowering individuals to become compassionate and competent homeopathic practitioners who promote health and well-being through holistic principles.
- Advancing the evidence base and effectiveness of homeopathy through rigorous research, scholarly inquiry, and collaborative partnerships, we contribute to the scientific understanding and validation of homeopathic principles and therapies, striving to enhance the credibility and integration of homeopathy within the broader healthcare system.
- Fostering a culture of lifelong learning and professional development: We are dedicated to nurturing a supportive learning environment that values curiosity, innovation, and continuous improvement, encouraging students, faculty, and staff to engage in ongoing education, research, and personal growth to enhance their knowledge and skills.
- Serving our communities and society: We are committed to addressing the healthcare needs of diverse populations, advocating for health equity and social justice, and collaborating with local communities, healthcare organizations, and government agencies to improve access to quality healthcare and promote public health initiatives.
- This mission statement encapsulates the goals, values, and commitments of a Homeopathic Medical College in educating students, conducting research, providing healthcare services, and contributing to the broader field of homeopathy.
